AAAP wins significant supply contract for major South African food manufacturer

Anglo African Agriculture plc (LSE: AAAP), the London Main board listed food manufacturing and distribution company, is pleased to announce that its wholly owned spice manufacturing business, Dynamic Intertrade, has been awarded a significant contract to supply a custom blended spice product to a leading South African food manufacturer for the 2017 calendar year. The contract award calls for Dynamic Intertrade to supply up to 300 tonnes of specialty spices throughout the year. This order is subject to supply chain volumes from the purchaser.

David Lenigas, the Company’s Chairman, commented:

“This is a tremendous achievement for AAAP and a significant boost for the business as the Company moves in to the 2017 year. Our outstanding service over the past year to this particular blue chip customer, coupled with excellent quality controls and the fact that AAAP’s facilities are FSSC accredited cemented this achievement. This order now places the Company in a good position to exceed last financial year’s c.1,000 tonnes sold.”
